

How to use the IPdoxx® Price List

The IPdoxx® Price List identifies 10 categories of document: see below. Simply browse through the Price List for the document that most suits your needs. Alternatively, you can search the Price List by entering a key word into the search function (Ctrl + f to enter a key word). Once you have decided upon a document that most suits your needs, contact Scott Farnsworth at scott@scottfarnsworth.biz for further details, and to receive a copy of the IPdoxx® terms and conditions of use.

Key to IPdoxx® categories of document:

Research & development (R&D), confidentiality & non-disclosure (NDA), materials transfers (MTA), collaborations & evaluations (C&E), consultants, employees, individuals & students (CES), commissions & services (C&S), designs & development (D&D), licences & technology transfers (LTT), software & websites (S&W) and assignments of ownership (ASO).
